DO & DON'T

DO

- Report the accident to the Department of Motor Vehicles as soon as possible.
- Write a complete description of the accident while it's fresh in your mind.
- Have even minor damage fixed. Letting your car go unrepaired can cost you in the long run.

DON'T

- Never discuss accident details with anyone other than police and insurance company.
- Never agree to a phone recording or give a signed statement to other driver's claims adjustor/insurance company.
- Don't be fooled by a lower estimate. You have the right to choose the bodyshop. Don't sign release until every detail is repaired to your satisfaction.
- Never allow your car to be towed to a repair shop you are not familiar with. Don't authorize repairs by signing a tow release unless you have decided to have your car repaired by the shop it's being towed to.
